

**Cairns Colonial Club Resort donates blankets to MongoliAid**

Cairns Colonial Club Resort is pleased to be involved in providing “blankets for Mongolia” and in assisting Mr Barry Jiggins with his quest in providing a further shipment of blankets to aid the people of Mongolia via MongoliAid.

The resort’s General Manager, Mr Peter Blackburn, is thrilled to be in a position to donate tangible goods, such as blankets and bedspreads, to such a worthy cause.

“Barry’s enthusiasm in helping the hospitals of Mongolia with something as basic as blankets is something which anyone can help with and would urge other resorts in the region who are going through refurbishments to keep Barry in mind when it comes to old blankets” he said.
